MISSION STATEMENT AND OBJECTIVES OF FOUR PAWS ADOPTION AND EDUCATION INC.

"A Not for Profit Animal Welfare charity whose principal activity is providing promotion and financial assistance of de-sexing companion animals, short-term direct care of cats and education of the community relating to responsible pet ownership.

The care covers a broad range of activities including: veterinary services for animals' injuries, illnesses and recovery which may include surgery, general and parasite prophylaxis, first aid and transport of injured animals, washing and grooming lost animals, feeding and sheltering animals in the short term while new homes are found.

Our activities also include:

Speaking on behalf of companion animals that have become a part of our daily lives and a very important part of our community.

Encouraging respect, understanding and compassion in the community for the companion animals of our community.

Initiating animal welfare education programs in our schools and community.

Actively promoting the permanent adoption of displaced animals within the community."
